WORK EXPERIENCE

SMB B2B Account Executive
June 2026 – Present

Grupo Omint · Private health insurance

- Coordinated a custom CRM and a web quoting tool end to end: requirements gathering, scoping, testing and rollout.
- Manage the SMB pipeline: commercial proposals, negotiation and renewals.

Account Manager
May 2025 – June 2026

Grupo América · Media

- Tracked and reported commercial KPIs to spot opportunities and risks across a corporate account portfolio.

Data Analyst / AI Trainer
July 2024 – April 2025

Outlier · Technology – AI

- Data quality reviews of AI model outputs against evaluation rubrics and guidelines; flagged errors and inconsistencies.

Workers' Compensation (ART) Manager
April 2016 – January 2023

Federación Patronal Seguros · Insurance

- Led the regional ART unit for nearly 7 years with a team, coordinating Collections, Claims and Prevention.
- Built management reports and dashboards on portfolio, retention, collections and loss-ratio indicators in Oracle BI to support leadership decisions.
- Applied internal controls to portfolio operations, collections and payment plans; maintained account records in Microsoft Dynamics 365 CRM.
- Coordinated tenders, contract renewals and claims with corporate clients, brokers and agents.

Commercial Analyst
November 2015 – April 2016

Federación Patronal Seguros

- Client data analysis for risk assessment and KPI reporting.

EDUCATION & CERTIFICATIONS

Google Project Management Certificate · Coursera — In progress

HubSpot Sales Software Certification · HubSpot Academy — 2026

Data Analyst · Jupi Digital — 2024 – 2025

Associate Degree in Marketing & Sales · Universidad Siglo 21 — 2016 – 2020

CORE COMPETENCIES

- **Management reporting & dashboards:** KPI and risk-indicator dashboards (loss ratio, retention, collections) in Power BI (DAX, Power Query), Oracle BI and Qlik Sense; recurring management reports, ad hoc and trend analysis for decision-making.
- **Internal controls & records:** applied internal controls and procedures to portfolio operations; maintained account records in Microsoft Dynamics 365 CRM; data quality reviews and record validation.
- **Project coordination & stakeholders:** requirements gathering, scoping, planning, progress tracking and rollout; cross-functional coordination and stakeholder communication.
- **Microsoft 365 & collaboration:** SharePoint document libraries, Microsoft Teams, Planner and advanced Excel for team coordination and reporting.
- **Vendor & financial administration:** contract renewals and tenders with corporate clients, brokers and agents; budget and expense tracking.

TOOLS

Power BI (DAX, Power Query), advanced Excel, SharePoint, Microsoft Teams, Planner, Oracle BI, Qlik Sense, SQL, Snowflake, Microsoft Dynamics 365 CRM, HubSpot, Google Workspace

LANGUAGES

Spanish (native) · English (upper-intermediate, B2)
